## SECTION 1 - PROJECT SUMMARY

### 1.1 GOAL & OBJECTIVES

#### **Department Mission**

The mission of the Department of Parks and Recreation is to provide for the health, inspiration, and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.

#### **Off-Highway Motor Vehicle Recreation (OHMVR) Division Mission**

The Mission of the OHMVR Division is to provide leadership statewide in the area of off-highway vehicle (OHV) recreation; to acquire, develop, and operate state vehicular recreation areas (SVRA's), and to otherwise provide for a statewide system of managed OHV recreational opportunities through funding to other public agencies. The OHMVR Division works to ensure that quality recreational opportunities remain available for future generations by providing for education, conservation, and enforcement efforts that balance OHV recreation impacts with programs that conserve and protect cultural and natural resources.

#### **Goal of this Request for Proposals (RFP)**

The goal of this Request for Proposal (RFP) is to award ten (10) year contracts to up to five (5) qualified entities to equip, maintain, furnish, and operate OHV rental services for park visitors at Oceano Dunes SVRA.

#### **Objectives of this Concession**

The objectives of this concession opportunity are to 1) develop, equip, manage, and maintain high-quality OHV rental services to the public; and 2) promote and complement safe, enjoyable, and convenient recreational experiences for all park users.

### 1.2 GENERAL INFORMATION

#### **Site Description**

Oceano Dunes SVRA is located in southwestern San Luis Obispo County, California, encompassing 3,600 acres of land west of U.S. Highway 1, between Oceano and Guadalupe-Nipomo Dunes National Wildlife Refuge. Oceano Dunes SVRA includes approximately 7.41 miles of beach open to highway registered and off-highway registered vehicles; approximately 3 to 4.25 miles of this beach and approximately 1,200 to 1,500 acres of sand dunes are open seasonally to both highway registered and off-highway registered vehicles. Seasonal closures to parts of the SVRA are necessary to protect sensitive natural resources. There is a mile-long ADA accessible boardwalk to the beach in the Oso Flaco Lake area of the park. Vehicles entering the SVRA from the current Grand and Pier Avenue entrances must drive on the beach, and on a seasonal basis, cross Arroyo Grande Creek, to access the area designated for OHV use and the camping areas.

## History and Visitation

Oceano Dunes SVRA has been a unit of the State Park System since 1971. The OHMVR Division began active management of the area in 1982. Oceano Dunes SVRA is the only California State Park where both highway registered and off-highway registered vehicles may be legally driven on the beach.

In 2008, Oceano Dunes SVRA received approximately 1.8 million visitors. That same year, over 570,000 vehicles were admitted into the park. Holiday weekends show higher visitation than other times of the year. For example, the 2008 Memorial Day weekend had an estimated 55,373 visitors to the park. In addition to OHV recreation, the park offers many other recreational opportunities including but not limited to swimming, fishing, surfing, kite surfing, hiking, walking, bird watching, and picnicking.

## Current Concession Operation

The gross sales and rent for the last three years as reported by the five current OHV rental concessionaires operating at Oceano Dunes SVRA was:

Concessionaire	2007/08		2008/09		2009/10

A proposer shall not be relieved of his/her proposal nor shall any change be made in his/her proposal due to a proposer error.

### **Supplemental Information**

At its sole discretion, the State reserves the right, but does not have the obligation, to seek supplementary information or clarification from any proposer at any time between the dates of proposal submission/acceptance and the contract award. The State may obtain credit reports and/or make background inquiries to further establish the qualifications of any proposer. Proposers may be required to make a presentation to the Concession Contract Award Board.

## **Proposal Evaluation**

All proposals received shall be evaluated for form and content in accordance with the requirements of this RFP. The Contract Award Board will evaluate and score each eligible proposal pursuant to the point system and selection criteria as described in the Proposal Instructions and Proposal Evaluation Form. **Proposals not containing all of the items in the Concession Proposal form (DPR 398) may be rejected.**

## **Contract Award Board**

Concession Contract Award Boards are appointed by the Director of the Department, or his or her representative, and convened to review, evaluate, and rate each proposal received and make a recommendation to the Director regarding the selection of the "Best Responsible Proposer". The Award Board for this contract may include park staff with related expertise, such as Field Division Chief, Deputy Director, Park Design and Construction staff, or District Superintendent, and representatives from other public agencies or the private sector.

## **Contract Award**

If an award is made, the award for a concession contract will be to the "Best Responsible Proposer" in accordance with Section 5080.23 of the Public Resources Code. The "Best Responsible Proposer" will be the bidder whose proposal passes each of the required elements and receives the highest total score as determined by the Contract Award Board and approved by the Director. Execution of the awarded concession contract is subject to approval by controlling agencies of the State, which include the Department of General Services and the Attorney General, and will not be binding on the State or the successful proposer until such approval is obtained. In the event the State does not identify five (5) "Best Responsible Proposer(s)" through the bid process, the State may negotiate concession contract(s) under the provisions of Public Resources Code Section 5080.16.

There will be up to five (5) OHV rental locations south of Post 2 on the beach as determined by the State. Priority selection of the operation locations will be based upon the highest total proposal score as determined by the Contract Award Board.

## **Protest of Award**

Based on California Code of Regulations, Title 14, Division 3, Chapter 3, Section 4400, and Department of Parks and Recreation policy, within ten (10) days after the Department has issued a notice of intent to award a concession contract for a term in excess of two (2) years following a request for proposals or invitation to bid, any proposer/bidder may file a written statement of protest against awarding of the contract with the Director of the Department. The statement shall be signed by the protestor, shall specify the grounds for the protest and may include a demand for a hearing. Failure to file a verified petition within the ten-day period shall constitute a waiver of the right to protest. Protests must be sent to:

Director  
California Department of Parks and Recreation  
1416 Ninth Street, 14<sup>th</sup> Floor  
P. O. Box 942896  
Sacramento, California 94296-0001  
Fax: 916-657-3903

A copy of the protest must be served on the Attorney General within the ten-day period by the proposer/bidder. Serve the Attorney General at:

California Department of Justice  
Office of the Attorney General  
Natural Resources Law Section  
1300 I Street, 11<sup>th</sup> Floor  
Sacramento, California 95814  
Fax: 916-327-2319

If a protest is timely served and a hearing is demanded, or if the Director on his or her own motion orders a hearing, proceedings shall be conducted according to the Administrative Procedure Act, and the protest statement shall be treated as a statement of issues. Any recommendation or decision of the hearing officer shall be submitted to the Director for approval, adoption, modification, disapproval, or other interlocutory or final action. If a hearing is not so demanded or ordered, the action of the Director shall be final.

## **2.3 CONTRACT EXECUTION**

### **Preparation of Contract**

Subsequent to the award of a contract, if an award is made, the State will prepare a final contract for execution. The contract will contain "exhibits" developed from the selected proposal including the proposal's Operation, Facility Improvement, and Interpretation Plans, as required. Minor changes or modifications to the contract, proposal plans, and contract exhibits may be made prior to execution based on agreement between the State and concessionaire. However, no material change to the contract or its exhibits as presented in the RFP and in the selected proposal may be made.

### **Performance Bond and Insurance**

The successful proposer will be required to submit a Performance Bond and evidence of insurance required under the contract. Failure to submit the bond and/or insurance verification within the time limit presented may be treated as a refusal to execute, if the State so elects. The State may take the Proposer Bond and select the next Best Responsible Proposal.

### **Failure to Sign/Deliver Contract**

A failure of the successful proposer to sign and deliver the contract within thirty (30) days of receipt may be treated as a refusal to execute, if the State so elects. The State may retain the Proposer Bond and select the next Best Responsible Proposal.

## SECTION 3 - THE PROPOSAL

### 3.1 INSTRUCTIONS FOR THE CONCESSION PROPOSAL

A completed Concession Proposal form (also known as DPR 398) and a Proposal Bond will constitute the proposal. Proposer must complete all sections, respond to all questions, and fill in all blanks of the form. Inapplicable questions or blanks must be marked "N/A" or "Not Applicable". Failure to properly complete the form may disqualify the proposal.

The proposal must be clear and unambiguous. It should clearly commit the proposer to enter into a contract with the State to provide the services and other concession improvements as required by this RFP and offered in the proposal. Financial commitments must be made and conditional only on contract execution.

The submission of a proposal shall be deemed evidence that the proposer is aware of the responsibilities of being a concessionaire, and has carefully examined State laws relating to California State Park concessions; possessory interest tax as related to concessions; the site(s) selected for said concession; obligations and responsibilities related to local control agencies and permitting requirements; the proposal instructions, proposal form, and the sample concession contract included herein.

On Page 1 of the DPR 398, proposers must indicate their location priority preferences, 1-5, as presented on the Sample Contract Exhibit A2 Concession Locations, A, B, C, D or E. The proposal with the highest point score will have first choice of location, the proposer with the second highest point score will be offered second choice and so on until all locations have been selected. If there are any tie scores, it will be settled with a flip of a coin. If a proposer is only interested in a contract based on a specific location and is not interested in any of the other locations, the undesired locations should be left blank.

Proposers must present evidence satisfactory to the State demonstrating their ability to finance, construct, operate, and maintain the concession facilities as proposed. The proposer's statement of financial capability must include the source of funding and detailed information including:

Source of Funding and Cost of Concession Development: Identify and describe the specific source of funding that the business will use to undertake the project as proposed. If funds are to be used from outside sources (i.e., parent company, third party, LLC partners, etc.), provide documentation, such as a recent bank statement, balance sheet, income statement, and/or other supporting documents, to demonstrate these funds are available and unconditionally committed to this concession project. In addition, if funds are to be borrowed to finance any portion of the total investment, proposer must provide loan commitment documentation such as a letter-of-intent from the individual, bank, or other lending entity indicating the minimum amount to be loaned and any applicable percentage rate. The loan commitment may contain the qualification that the loan will be consummated only upon award of an agreement with the State; otherwise the commitment must be irrevocable and unconditional.

Business Financial Statement: Use the Business Financial Statement to describe the current and true condition of the business' assets, liabilities, and net worth. Round figures to the nearest dollar. If the business is a partnership or joint venture, each general partner or member of the joint venture must individually submit a Business Financial Statement. Proposer may provide copies of forms filed with the Internal Revenue Service, where applicable.

#### **E. Credit Worthiness**

Proposers must present evidence of credit worthiness. At a minimum, evidence should include a credit report issued by a nationally recognized credit bureau within 60 days of the proposal due date and include the FICA score. Any derogatory information listed on said reports must be explained. Below average FICA scores, outstanding debts, delinquent payment history on current concession contracts, and any other derogatory information may disqualify a proposal.

#### **F. References**

Financial, client, and vendor references are used to confirm information provided by proposers and to evaluate the proposer's quality of experience and past performance. Proposers should submit one reference for each reference type required below. However, to adequately substantiate the claims made in the proposal, proposers are encouraged to provide three references that are familiar with the individual and business. Proposers should notify their references in writing that a representative from the State will be contacting them.

For the purposes of this RFP, proposers should provide the references from the following sources:

- Financial References: Include the bank or savings and loan institution.

- Client or Business References: Name clients or other persons that most accurately reflect the business performance, and ability to fulfill contract obligations with other entities for the provision of goods and services.
- Vendor References: Proposers should provide vendor references if they are a pre-existing business currently utilizing vendors.

## **II. PROPOSAL INFORMATION**

Provide an Operation Plan that addresses each of the checked elements in the Concession Proposal form (DPR 398). Each element of the Concession Proposal is described below. Proposers may submit additional information to describe and enhance their proposal.

### **A. Operation Plan**

The Operation Plan should address the following elements and must demonstrate an understanding of and commitment to achieving the objectives of this RFP. Greatest consideration will be given to proposals that demonstrate proposer's ability to implement the plan and provide high-quality goods and services that are consistent with the intent of the RFP and the mission of the park. The proposal must also adhere to the operational requirements as described in the Sample Concession Contract.

As a condition of the contract award, the successful proposer may be required to revise or further develop the Operation Plan to the satisfaction of the State and prior to the execution of the contract. When it is accepted, the final plan will be incorporated as an exhibit to the contract and become an obligation of the concessionaire.

#### Vision/Mission Statement

Provide a Vision/Mission Statement that will capture the proposer's goals and objectives for the concession business and a clear philosophy that will meet or exceed the state's commitment for a safe, family-orientated OHV recreation experience. The Statement should include the proposer's commitment to rider safety, reliable rental equipment, protection of cultural and natural resources at Oceano Dunes SVRA and the ability of the operation to complement the current park operation.

#### Organizational Structure

Provide an organization chart and staffing plan that can guide the operation and ongoing management of the concession business. The plan should identify and define all job classifications to be used and the required job skills and qualifications. Describe the general duties and schedules for each staffing level considering contract requirements, the proposed hours of operation, and any unique seasonal and peak use circumstances.

#### Transition/Business Start-Up

Describe a plan and timeline for starting concession operation and providing a seamless transition in customer service. This element may not be applicable for proposals from incumbent concessionaires.

### Maintenance and Housekeeping

Provide a comprehensive plan to maintain the concession facilities and equipment in first-class condition throughout the term of the contract. The maintenance plan criteria should include budget allocations and maintenance schedules.

### Customer Service

Demonstrate an ability and clear commitment to successfully implement an effective customer service program. The plan should include, but is not limited to, previously established and effective customer service program models, adequate employee staffing and management oversight, hours of operation equal to or greater than required by this RFP, and a customer satisfaction feedback survey program. Customer service must include a rider safety education and hands-on orientation program.

### Safety and Security

Describe plan to ensure a safe and secure environment for renters, concession workers, State staff and the public. Operations must be planned and structured to provide relevant recreational opportunities, and continuously seek to improve the safety and security at Oceano Dunes SVRA. Site security will be important to curtail product loss and other crimes of opportunity.

Proposal must also describe a safety education and hands-on orientation program for each rider that is consistent and age-level specific to maximize rider retention and compliance. The proposal should consider and incorporate requirements presented in the Sample Concession Contract.

### Employee Staffing and Training

Employee policies and training program should include, but are not limited to, personnel policies; hiring practices; health, safety, and grievance policies and procedures; uniform policies and requirements; business orientation; job training; and park orientation training. Such programs must provide sufficient staffing with the skills, capabilities, and training to ensure the provision of uninterrupted, high-quality services to all park visitors.

### Marketing and Advertising

The marketing program should include, but is not limited to, proposed approaches, media, advertising materials, and budget allocations.

### Community Involvement

Commit to creating added value and benefits to the surrounding community and park visitors. This may include special events, educational programs, and community service activities. In addition, proposer should identify the special skills, knowledge, and resources needed and available to implement the plan.

### Products, Merchandise, and Services

Provide a detailed description of the proposed products, merchandise, and services to be provided by the concession operation. Sales and rental items must be high-quality and the selection varied. The products and services offered should meet or exceed the needs of the park users, and be compatible with and complementary to the mission of

the park. All products for sale or rent are subject to the approval of the District Superintendent.

#### Prices and Pricing Policies

Provide a price schedule for a representative sample of the products and services proposed. The plan should describe the policies to be used to establish prices for products and services. The policies should clearly demonstrate the relationship of pricing to product quality. Implementation of these policies should provide park visitors with quality products at reasonable prices considering the competition of comparable markets for similar products, services and cost of doing business. Pricing policies should consider Sample Contract Section 4 Rent; and Section 13 Rates, Charges and Quality of Goods and Services.

#### Conservation and Recycling

Outline the proposer's approach to solid waste management, including reduction, re-use, and recycling, use of post-consumer recycled products, water and energy conservation, pest management, hazardous materials handling, air quality, and other applicable facets of resource conservation and environmental protection that are applicable to the concession operation. The plan should clearly commit proposer to a program that will minimize negative impacts on the environment and encourage park visitors to do the same.

#### Accessibility

Commit to ensure disabled visitors will have access to all of the services provided through the concession operation in accordance with the American's with Disabilities Act of 1990, the Rehabilitation Act of 1973, and California Government Code Sections 4450 et. seq. and 7250. Additional accessibility resources are available at [www.ada.gov](http://www.ada.gov); [http://www.parks.ca.gov/?page\\_id=21944](http://www.parks.ca.gov/?page_id=21944) (State Parks Accessibility Program); and [http://www.parks.ca.gov/?page\\_id=22651](http://www.parks.ca.gov/?page_id=22651) (All Visitors Welcome handbook).

### **B. Rental Offer**

The concessionaire will be required to pay as annual rent a guaranteed amount (Rental Guarantee) or a Percentage of Gross Sales, whichever is greater. Proposers shall bid both the Rental Guarantee and the Percentage of Gross Sales as specified in the Concession Proposal form (DPR 398). For the purposes of this RFP, the Minimum Annual Rent must be at least twenty thousand dollars (\$20,000) and the Percentage of Gross Sales must be at least ten percent (10%) per operator. Any offer below the minimum rent requirements will result in proposal disqualification.

### **C. Concession Feasibility**

Document proposer's ability to successfully initiate the proposed concession in a financially responsible manner, in accordance with the terms and conditions of the Sample Contract and the Operation Plan This information must substantiate proposer's ability to: develop, furnish, equip, operate and maintain the concession in a high-quality manner; provide the public with quality products and services at reasonable and competitive prices; pay the State the rental offered; and provide a reasonable return on

the investment. Fiscal documentation that will be considered in awarding points includes a financial pro forma; statement of assets and liabilities; business, vendor, bank, and/or financial references; and similar documents.

### **III. PROPOSAL SUMMARY**

The Proposal Summary should summarize relevant experience, knowledge, and expertise, and the Operation, Facility Improvement, and Interpretive Plans (as applicable) in 250 words or less.

### **IV. CERTIFICATION OF PROPOSER INFORMATION**

#### **A. Labor Law Compliance Certification**

A request may be made to the National Labor Relations Board for information regarding Administrative Hearing decisions against each proposer. Proposer must have no more than one final, unappealable finding of contempt of court by a federal court issued for violation of the National Labor Relations Act within the two-year period immediately preceding the closing date of this RFP or the proposal will be disqualified.

#### **B. Proposer Certification**

A completed certification must be included with the proposal or it may be disqualified.

#### **C. Authorization to Release Information**

A signed authorization for each individual, partner, member of joint ventures, officer of corporations, Concession Manager, and holders of 25% or more of the company's shares (as applicable) must be included or the proposal may be disqualified.

### **V. PRIVACY NOTICE**

This section provides notice to proposers. No action by proposers is necessary.

### 3.2 PROPOSAL EVALUATION CRITERIA

#### Incumbent Preference

**5 Points**

Incumbent proposals are awarded points based on annual Performance Evaluations (See DPR 531 in the Sample Concession Contract) performed by the State as follows:

Overall Rating of Evaluation	Number of Years Rating Was Received	Points Awarded
“Excellent”	3 out of last 3 years	5 points
“Excellent” with no “needs improvement” or “unsatisfactory”	2 out of last 3 years	3 points
“Excellent” with no “needs improvement” or “unsatisfactory”	1 out of last 3 years	2 points
Satisfactory	3 out of last 3 years	1 point
“needs improvement” or “unsatisfactory”	1 out of last 3 years	- 1 point
“needs improvement” or “unsatisfactory”	2 out of last 3 years	- 3 points
“needs improvement” or “unsatisfactory”	3 out of last 3 years	- 5 points

#### Small Business Preference

**5 Points**

Five points will be awarded to those proposers who have a complete and certifiable application on file with the Office of Small Business Certification.

#### Experience

**30 Points**

For the purposes of this RFP, proposers should have a minimum of three (3) years experience owning, managing, or operating a business of similar size, type, and scope as the concession operations set forth and envisioned by this RFP. The proposer will be rated according to the years of relevant experience as verified by references and the quality of experience as it relates to the business described in this RFP. In addition, points are awarded for experience contracting with public agencies.

**Rental Offer****25 Points**

For the purpose of assigning points in the Proposal Evaluation, the highest acceptable rental offer\* for each category of rent required (Rental Guarantee and Percentages of Gross Sales) will be assigned the maximum points available for that category. Each lower rental offer will be assigned points in relation to the highest rental offer as follows:

Minimum Annual Rent (Minimum bid is \$20,000)

$$\frac{(\text{Bid Amount}) \text{ minus } (\$20,000)}{(\text{Highest Bid Amount}) \text{ minus } (\$20,000)} \times 15 \text{ points} = \text{_____ points}$$

Percentage of Gross Sales (Minimum bid is 10%)

$$\frac{(\text{Bid Amount})}{(\text{Highest Bid Amount})} \times 10 \text{ points} = \text{_____ points}$$

\*Note: The highest bids received may not be considered acceptable. Proposers may be required to prove to the satisfaction of the State their ability to operate a successful business under their rental offer. Failure to prove this ability will be cause to disqualify the proposal. In this case, the second highest acceptable bid would be used to calculate points awarded.

STATE OF CALIFORNIA  
DEPARTMENT OF PARKS AND RECREATION

**CONCESSION CONTRACT**

For  
Off-Highway Vehicle Rental Services

Located In  
Oceano Dunes State Vehicular Recreation Area  
San Luis Obispo County

THIS CONTRACT is made and entered into by and between the STATE OF CALIFORNIA, acting through its Department of Parks and Recreation, hereinafter referred to as "State", and **(Concessionaire Name)** of (City, State), hereinafter referred to as "Concessionaire";

**RECITALS**

**WHEREAS**, California Public Resources Code Section 5080.03 et seq. authorizes the Department of Parks and Recreation to enter into concession contracts for the operation of state park system lands and facilities and;

**WHEREAS**, it is appropriate that the following contract be entered into for the safety and convenience of the general public in the use and enjoyment of, and the overall enhancement of recreational and educational experience at units of the state park system;

**NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS:**

### 1. **DESCRIPTION OF PREMISES**

The State for and in consideration of the agreements hereinafter stated, grants to Concessionaire for the purposes stated herein, the right, privilege, and duty to develop, equip, operate, and maintain a nonexclusive concession in Oceano Dunes State Vehicular Recreation Area (SVRA) at the location(s) as set forth in **Exhibit A**, attached to and made a part of this Contract (the "Premises").

The possessory interest herein given to the Concessionaire does not exclude the general public from the Premises; however, the use by the general public is limited by the terms and conditions of the possessory interest given herein. This Contract is not intended to confer third party beneficiary status to any member of the public who is benefited by the terms of this Contract. The possessory interest is further subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title that may affect the Premises.

### 2. **CONDITION OF PREMISES**

The taking of possession of the Premises by the Concessionaire, in itself, shall constitute acknowledgment that the Premises are in good and sufficient condition for the purposes for which Concessionaire is entering into this Contract. Concessionaire agrees to accept Premises in their presently existing condition, "AS IS", and that the State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this Contract.

### 3. **TERM**

The term of this Contract shall be for a period of Ten (10) Years, commencing on the first day of the month following approval by the California Department of General Services. Should Concessionaire hold-over after the expiration of the term of this Contract with the express or implied consent of the State, such holding-over shall be deemed to be a tenancy from month-to-month at the herein stated prescribed rent as set forth in this Contract in Section 31, "Surrender of Premises; Holding Over", of this Contract, with continuous Consumer Price Index adjustment, as defined below, subject otherwise to all the terms and conditions of this Contract.

For purposes of this Contract, the term "Contract Year" shall mean each one-year period of time that commences on the commencement date identified above, extending twelve (12) months there from, and continuing from each anniversary throughout the term of the Contract.

#### 4. **RENT**

Concessionaire shall pay, without offset, deduction, prior notice, or demand, as "Minimum Annual Rent" the sum of (\$\$ amount of Minimum Annual Rent) **or** the following percentage(s) of gross receipts, whichever sum is greater:

(per proposal) percent of monthly gross receipts

Beginning with Contract Year Six (6) and on the first day of each fifth Contract Year thereafter, the Minimum Annual Rent (\$\$) shall be adjusted to reflect changes in the Consumer Price Index (CPI). Such CPI adjustments shall be made in accordance with the procedure set forth in **Exhibit B**, attached to and made a part of this Contract.

Concessionaire shall make payment of Minimum Rent and other payments to State in lawful money of the United States. However, if any payment made by a check, draft, or money order is returned to State due to insufficient funds or otherwise, State shall have the right, at any time after the return, upon written notice to Concessionaire, to require Concessionaire to make all subsequent payments in cash or by cashier's or certified check.

Beginning with the fifteenth (15<sup>th</sup>) day of the month following the execution of the Contract and on or before the fifteenth (15<sup>th</sup>) day of each month thereafter, Concessionaire shall furnish to State a verified statement of the concession's gross receipts for the preceding month with the corresponding rent based on the percentage of gross receipts. Such statement shall be submitted on Form DPR 54, "Concessionaire's Monthly Report of Operation", attached hereto as **Exhibit C**, or in a format previously approved by the State, and shall specify the current period and cumulative total of gross receipts for the concession through the end of the preceding month for the then current Contract Year. Concessionaire shall also provide such statement for periods of non-operation. Concurrent with such monthly statement, the Concessionaire shall pay to State the appropriate rental fee for the preceding calendar

month as prescribed above. Payments to State shall be made to the order of the Department of Parks and Recreation and delivered to the District Office identified herein below or at such other location as may from time to time be designated by State. If, at the end of the Contract Year, the total of monthly percentage rental payments made (or due) during that Contract Year is less than the Minimum Annual Rent required for that Contract Year, the difference shall be remitted to State with the last monthly sales statement for the Contract Year. Payments must be received by State on or before the fifteenth (15<sup>th</sup>) day of the month as described above. Any late payment shall constitute a breach of contract, giving rise to State's remedies as set forth below. Further, any late payment will be subject to a late penalty consisting of an administrative charge on the late amount, calculated at the rate of five percent (5%) of the amount of the late payment or portion thereof. The parties agree that the late charge represents a fair and reasonable estimate of the costs State will incur because of late payment. Acceptance of the late charge by State shall not constitute a waiver of Concessionaire's default for the overdue amount, nor prevent State from exercising the other rights and remedies granted under this Contract. Concessionaire shall pay the late charge as additional rent with the next monthly rent payment.

\_\_\_\_\_ **[Initials of concessionaire(s)]**

Any amount due to State, if not paid within five (5) days following the due date, will bear interest from the due date until paid at the rate of ten percent (10%) per year. However, interest shall not be payable on late charges incurred by Concessionaire, nor on any amounts on which late charges are paid by Concessionaire. Payment of interest shall not excuse or cure any default by Concessionaire.

Upon written request by the Concessionaire to State demonstrating unusual or extenuating circumstances causing the late payment, the State, in its sole discretion, may waive the late charge. Further, in the event Concessionaire is prevented from carrying on the operations contemplated herein by reason of an Act of Nature or other reasons beyond Concessionaire's control, and when requested in writing in advance by Concessionaire, Minimum Rent may be abated in proportion to the amount by which gross receipts are reduced by the occurrence for such period of reduced or non-operation, as determined in the sole discretion of State.

If this Contract is terminated by State because of Concessionaire's default, and if Concessionaire becomes liable for any deficiency in rent and/or fees by way of damages or otherwise, or if at any time during the Contract term Concessionaire ceases to conduct in the Premises the business referred to herein below, then from and after the time of the breach causing this termination, or from and after the time of the cessation of business, all unpaid rent and/or fees prior to the breach causing termination or cessation of business shall become due and payable. The amount due shall be deemed to be the greater of: (a) the Minimum Rent provided herein, or (b) an amount based upon the average of the payments that have accrued to State as percentage rent during the twenty-four (24) months preceding the termination or cessation of business, unless the termination or cessation occurs within three (3) years of the beginning of the Contract term, in which event the previous twelve (12) (or fewer, if applicable) months shall be used as the basis of this average.

#### **5. USE OF PREMISES**

This education and orientation program will be reviewed by the District Superintendent, and applicable to each type of rental vehicle for each rental driver and passenger. - P. Comply with State's resource management and preservation mandates in the conduct of all activities that impact cultural, natural, or scenic resources. Monitor and take all reasonable precautions to ensure that no artifacts or natural or cultural items are removed from Oceano Dunes SVRA or disturbed or damaged or altered in any way. Concessionaire will report to State any and all observed, known and/or suspected violations of this provision, and take reasonable lawful action that may be available to return or assist in the return of any artifacts and/or resource items removed from Oceano Dunes SVRA by employees(s) and/or rental customer(s).
- Q. Completely remedy without delay any defective, dangerous, or unsanitary conditions and/or injury to Oceano Dunes SVRA caused by Concessionaire's operations.
- R. Special Events: When Concessionaire is contacted by persons wanting to hold an event in the park, Concessionaire must advise and coordinate all events through the District's Special Event Coordinator.
- S. Concessionaire must submit by the 15<sup>th</sup> day of each month a report of concession activity from the previous month in a format approved by the District Superintendent consistent with Exhibit I Sample Monthly Activity Report.

The Use of Premises will be consistent with the State approved "Operation Plan", as proposed by Concessionaire and modified by State as is reasonable and necessary to meet the intention of the State for this concession operation and the mission of the

OHMVR Division. The approved "Operation Plan" is incorporated herein and made part of this Contract as **Exhibit D**.

Concession services shall be provided at a minimum from Memorial Day through Labor Day and each holiday between the hours of 8:00 AM and sunset, or when the unit closes, whichever is earlier, during each year of the Contract. In the event State deems the hours of operation inadequate for proper service to the public, State may require Concessionaire to adjust the days and/or hours of operation to a schedule provided by State. Concessionaire may remain open on other dates, observing same (or longer) hours, at Concessionaire's discretion with the concurrence of State. All changes in hours of operation require prior approval from the District Superintendent. In the event of adverse weather or other operating conditions, State may permit the concession to close at any time during the term of this Contract. Concessionaire shall not use or permit the Premises to be used in whole or in part during the term of this Contract for any purpose other than as herein set forth without the prior written consent of the State.

**6. LIABILITY WAIVER**

Concessionaire shall require that a liability waiver, equivalent to the waiver attached hereto as **Exhibit E**, "Waiver of Liability and Release" and incorporated herein by this reference, be executed between Concessionaire and each concession patron prior to the start of each rental or tour. Such waiver is subject to the State's approval and shall release State, its officers, employees, and agents from any liability resulting from any claim associated with services, equipment, and activities provided and facilitated on each rental or tour. The liability waiver text shall be pre-printed, and must be signed by every person participating in each rental or tour within the Premises as permitted in this Contract. Concessionaire shall make signed liability waivers available to State inspection and shall provide copies upon request. All required waivers shall comply with any and all conditions precedent to insurance coverage as required herein.

## 7. **BONDS**

A. All bonds required under this Contract must be in a form satisfactory to State, issued by a corporate surety licensed to transact surety business in the State of California.

B. Performance Bond: Concessionaire, at Concessionaire's own cost and expense, agrees to obtain and deliver to State, prior to the commencement date of this Contract and prior to entering the Premises, and shall maintain in force throughout the term of this Contract, a valid Performance Bond (which may be renewed annually) in the sum of six (6) months guaranteed rent as bid payable to the State. This bond shall insure faithful performance by Concessionaire of all the covenants, terms, and conditions of this Contract inclusive of, but not restricted to, the payment of all rentals, fees, and charges and prompt performance of and/or payment for all maintenance obligations. In lieu of a bond, the Concessionaire may substitute another financial instrument (such as an Irrevocable Standby Letter of Credit), which must be sufficiently secure and acceptable to State. At least thirty (30) days prior to the expiration or termination of said bond or acceptable financial instrument, a signed endorsement or certificate showing that said bond or financial instrument has been renewed or extended shall be filed with the State. Within 15 days of State's request, Concessionaire shall furnish State with a signed and complete copy of the valid bond or financial instrument.

C. Concessionaire acknowledges that allowing the Performance Bond or other security instrument(s) to expire or otherwise terminate and/or allowing the total secured amount to fall below the security required herein will cause State to incur costs and significant risks not contemplated by this Contract, the exact amount of which will be difficult to ascertain. These costs include, but are not limited to, administrative costs and other expenses necessary to ensure continued performance of services for the public and protection of the Premises. Accordingly, if Concessionaire allows the Performance Bond or other security instrument to expire or otherwise terminate and/or allows the total secured amount to fall below the security required pursuant to this Contract,

Concessionaire shall pay to State an amount equal to five percent (5%) of the required security or five thousand dollars (\$5,000), whichever is greater. The parties agree that this charge represents a fair and reasonable estimate of the costs State will incur. Acceptance of this charge by State shall not constitute a waiver of Concessionaire's default, nor prevent State from exercising the other rights and remedies available to it under this Contract or applicable law, including the right to terminate this Contract and seek the payment of damages.

## 8. **INSURANCE**

A. Concessionaire shall provide before entering the Premises and shall maintain in force throughout the term of this Contract the following insurance:

- 1) Commercial General Liability Insurance. Concessionaire shall maintain commercial general liability on an occurrence form with limits not less than \$1,000,000 per occurrence for bodily injury and property damage liability combined with \$2,000,000 annual policy aggregate. The policy shall include coverage for liabilities arising out of Premises, independent contractors, products, completed operations, personal and advertising injury.
- 2) Automobile Liability. Concessionaire shall maintain motor vehicle liability with limits not less than \$1,000,000 combined single limit per accident. Such insurance shall cover liability arising out of motor vehicles including owned, hired and non-owned motor vehicles used by Concessionaire in the conduct of business under this Contract.
- 3) Workers' Compensation Insurance. Concessionaire shall maintain statutory worker's compensation and employer's liability coverage for all its employees who will be engaged in the performance of this Contract. Employer's liability limits of \$1,000,000 are required.

B. In the event of destruction, loss, or damage by fire or other cause of any of the State-owned buildings, improvements, or fixtures located on the Premises that the State determines (1) to be essential to the continued operation of the

Contract and (2) cannot be repaired within one-hundred-eighty (180) days of the occurrence, the State may terminate this Contract. A decision by the State to terminate the Contract under this provision shall be communicated in writing to Concessionaire as soon as practicable. If the Contract is so terminated, State shall be entitled to the proceeds payable under any applicable insurance policies pertaining to the loss as its interest may appear. Receipt of such proceeds by State shall be in addition to the right of State to pursue whatever other remedies it may have to recover any losses due to the occurrence. If the State determines not to terminate the Contract, then, in State's discretion, any buildings, improvements, or fixtures built in replacement of any damaged or destroyed property shall be subject to the terms and provisions of this Contract as if they had existed at the onset. In no event shall the provisions of this Section be deemed or construed to relieve Concessionaire from the requirement to repair or replace any damaged or destroyed property except as specifically excepted by express terms of this Contract.

C. Each policy of liability insurance shall apply separately to each insured against whom claim is made or suit is brought subject to the Concessionaire's limit of liability. The policy must include the State of California, Department of Parks and Recreation, its officers, agents, employees and servants as additional insured. This endorsement must be supplied under form acceptable to State. Any subcontractors shall be included under Concessionaire's policy or provide evidence of coverage equal to limits and policies required of Concessionaire.

D. Insurance policies shall contain a provision stating coverage will not be cancelled without 30 days prior written notice to State. In the event Concessionaire fails to keep in effect at all times the specified insurance coverage, State may, in addition to other remedies it may have, terminate this Contract upon the occurrence of such event, subject to the provisions of this Contract.

E. Each policy shall be underwritten to the satisfaction of the State. Concessionaire shall submit to State a signed and complete certificate of insurance with all endorsements required by this Section, showing to the

satisfaction of State that such insurance coverage has been renewed or extended. Within fifteen (15) days of State's request, Concessionaire shall furnish State with a signed and complete copy of the required policy.

**9. ALCOHOLIC BEVERAGES**

Notwithstanding anything to the contrary, the sale of liquor, beer, or other alcoholic beverages on the Premises is expressly prohibited. Exception to this restriction may be allowed through the special event permit process, as approved by State.

that conforms to industry standards and practices and in a manner acceptable to State. Concessionaire shall keep all records for a period of at least four years.

In accordance with Public Resources Code Section 5080.18(b), copies of all sales and use tax returns submitted by Concessionaire to the California State Board of Equalization, the Employment Development Department, the Franchise Tax Board, or any other governmental agency shall be concurrently submitted to State.

In accordance with Public Resources Code Section 5080.18(c), State shall have the right through its representative and at all reasonable times to conduct such audits as it deems necessary and to examine and copy Concessionaire's books and records including all tax records and returns. Concessionaire hereby agrees to make all such records, books, and tax returns available to State upon State's request therefor. Concessionaire further agrees to allow interviews of any employees who might reasonably have information related to such records.

Concessionaire will submit to State, no later than May 1st of each year during the term of this Contract, a verified profit and loss statement for the previous calendar year. Such statement shall be submitted on Form DPR 86, "Concessionaire Financial Statement", attached hereto as **Exhibit F**, or in a format previously approved by the State, and shall contain an appropriate certification that all gross receipts during the yearly accounting period covered by said statement shall have been duly and properly reported to the State. Within forty-five (45) days of the expiration or termination of this Contract, Concessionaire shall submit to the State a profit and loss statement for the period of operation not previously reported prepared in the manner stated above.

Concessionaire shall record all gross receipts from the operation of the concession. Records shall supply an accurate recording of each sale as a paper receipt for each transaction. Cash registers or pre-numbered receipt books shall be used to document all sales. Receipt books shall provide duplicate receipts in carbon copy for record purposes. Concessionaire shall record in receipt books the purchase amount and name and address of each purchaser. Concessionaire shall submit to State immediately upon receipt the manifest or other documentation of the purchase of all receipt books and the books' corresponding serial numbers. A report containing the serial number range (beginning number and ending number), missing numbers,

duplicate numbers, any other number inconsistencies, or a statement that all sets are serial numbered as specified with NO inconsistencies shall be submitted to State upon request. Concessionaire shall make all accounting records available to the State upon State's request.

## **12. GROSS RECEIPTS**

The term "gross receipts", wherever used in this Contract, is intended to and shall mean all moneys, property, or any other thing of value received by or owed to Concessionaire and any sub-concessionaire or operator, if other than Concessionaire, through or in connection with the operation of the concession, including any concession related business carried on through the internet or catalog sales, or from any other business carried on or in connection with the Premises, or from any other use of the Premises, and/or of any business of any kind that uses the names licensed by this Contract, or that associates with or implies an endorsement by State, all without deduction. The term "gross receipts" shall not include any sales taxes imposed by any governmental entity and collected by Concessionaire.

## **13. RATES, CHARGES, AND QUALITY OF GOODS AND SERVICES**

Concessionaire shall staff, operate, manage, and provide all goods, services, and facilities offered in a first-class manner and comparable to other high quality concessions providing similar facilities and services. State reserves the right to prohibit or modify the sale or rental of any item, accommodation, or service for public safety and/or to ensure that the public receives, in the State's view, fair pricing, proper service, and appropriate quality. State reserves the right to prohibit the sale or use of non-recyclable containers or plastics.

Any increased rates or charges to park visitors proposed by Concessionaire following contract approval shall be submitted in writing for the State's approval. Rate increases may not be imposed retroactively.

A competent person shall be on the premises at all times while the concession is in operation. If the on-site manager is other than the Concessionaire, State reserves the right to approve such manager.

**14. PERFORMANCE EVALUATIONS AND INSPECTION**

As part of its administration of this Contract, State will conduct periodic inspections of concession facilities, equipment, services, and programs and prepare written performance evaluations based upon its observations. A "Concessionaire Performance Rating" (DPR Form 531) attached hereto as **Exhibit G**, or other similar format(s) as may be adopted by the State, will be utilized for evaluation purposes. State further reserves the right of ingress and egress without notice to inspect concession operations for the purposes of evaluating Concessionaire's performance of the terms and conditions of this Contract; to inspect, investigate, and/or survey the Premises; and to do any work thereon of any nature necessary for preservation, maintenance, and operation of the State Park System. Concessionaire agrees to cooperate with State in all respects related to the implementation of State's Concession Performance Evaluation program and with State's activities on the Premises. State shall not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of State's entry in the Premises as provided herein, except damage resulting from the active negligence or willful misconduct of State or its authorized representatives.

**15. HOLD HARMLESS AGREEMENT**

Concessionaire hereby waives all claims and recourse against the State, including the right to contribution for loss or damage to persons or property arising from, growing out of, or in any way connected with or incident to this Contract, except claims arising from, and to the extent of, the sole gross negligence or willful misconduct of the State, its officers, agents, or employees. Concessionaire shall protect, indemnify, hold harmless, and defend State, its officers, agents, and employees against any and all claims, demands, damages, costs, expenses, attorney fees, expert costs and fees, or liability costs arising out of the development, construction, operation, or maintenance of the Premises property described herein and compliance with all laws, including but not limited to the Americans With Disabilities Act of 1990 as provided for herein, except for liability arising out of, and to the extent of, the sole gross negligence or willful

misconduct of State, its officers, agents, or employees or other wrongful acts for which the State is found liable by a court of competent jurisdiction.

**16. TAXES**

A. By signing this Contract, Concessionaire acknowledges that occupancy interest and rights to do business on state property being offered to the Concessionaire by this Contract may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject Concessionaire to liability for the payment of property taxes levied on such possessory interest.

B. Concessionaire agrees to pay all lawful taxes, assessments, or charges that at any time may be levied by the State, County, City, or any tax or assessment levying body upon any interest in or created by this Contract, or any possessory right that Concessionaire may have in or to the premises covered hereby, or the improvements thereon by reason of Concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by Concessionaire in or about the Premises.

**17. MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS**

In the event that Concessionaire desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, required accessibility barrier removal work, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively "Alteration(s)"), the approval in writing of State shall be obtained prior to the commencement of any Alterations. State shall dictate the plan approval process.

Once any Alteration has been approved by State and the work has begun, Concessionaire shall, with reasonable diligence, prosecute to completion all approved Alterations. All work shall be performed in a good and workmanlike manner, shall substantially comply with plans and specifications submitted to State as required herein, and shall comply with all applicable governmental permits, laws, ordinances, and

regulations. It shall be the responsibility of Concessionaire, at its own cost and expense, to obtain all licenses, permits, and other approvals necessary for the construction of approved Alterations.

Title to all Alterations and improvements existing or hereafter erected on the Premises, regardless of who constructs such improvements, shall immediately become State's property and, at the end of the Term, shall remain on the Premises without compensation to Concessionaire. Concessionaire agrees never to assail, contest, or resist title to the Alterations and improvements. The foregoing notwithstanding, State may elect, by notice to Concessionaire, that Concessionaire must remove any Alterations that are peculiar to Concessionaire's use of the Premises and are not normally required or used by State and/or future occupants of the Premises. In this event, Concessionaire shall bear the cost of restoring the Premises to its condition prior to the installment of the Alterations.

**18. PERSONAL PROPERTY**

Title to all personal property provided by Concessionaire shall remain with Concessionaire. Concessionaire shall not attach any personal property to any building or Premises without first obtaining State's written approval. Unless approved in writing by State, all property attached to real property will be considered a real property improvement and shall become property of State at the time this Contract is terminated.

**19. HOUSEKEEPING, MAINTENANCE, REPAIR AND REMOVAL**

During the term of this Contract at Concessionaire's own cost and expense, Concessionaire shall maintain and operate the Premises and areas in, on, or adjacent to a distance of not less than fifty (50) feet, including personal property and equipment, in a clean, safe, wholesome, and sanitary condition free of trash, garbage, or obstructions of any kind. Concessionaire shall remedy without delay any defective, dangerous, or unsanitary conditions.

- A. Housekeeping: Housekeeping activities are defined as all those activities concerned with keeping facilities clean, neat, and orderly. Concession housekeeping shall conform to California State Park standards.

B. Maintenance and Repairs: Concessionaire shall maintain all concession facilities and personal property and equipment on the Premises in good condition and repair at Concessionaire's sole cost and expense at all times during the term of this Contract. Such maintenance shall conform to the manufacturer recommendations for such equipment. For the purposes of this Contract, the term "maintenance" is defined as all repair and preservation work necessary to maintain concession Premises and personal property and equipment in a good state of repair.

Should Concessionaire fail, neglect, or refuse to undertake and complete any required maintenance, State may require Concessionaire to remove equipment from the Premises. State shall not be obligated to make any repairs to or maintain any improvements on the Premises. State has made no representations in respect to the condition of the Premises, except as specifically set forth in this Contract.

C. Removal and Restoration: At the expiration or sooner termination of this Contract, Concessionaire at its own expense shall remove all personal property brought onto the Premises by Concessionaire. Concessionaire, at Concessionaire's expense, shall restore and repair the Premises, and any of Concessionaire's improvements or fixtures remaining thereon, to a good, clean, safe, and fit condition, reasonable wear and tear excepted, and shall completely remedy all injuries to the Premises.

## 20. UTILITIES AND SERVICES

Concessionaire shall be responsible for all costs associated with the installation and provision of all utilities necessary to and used in connection with the Premises, including but not limited to sewage disposal. When installing facilities, no trees shall be trimmed or cut without permission of State. Removal and disposal of all rubbish, refuse, and garbage resulting from concession's operations shall be the Concessionaire's responsibility and shall be disposed of outside the park unit and in accordance with applicable laws and local ordinances. All trash containers and/or trash bins shall be adequately screened to the satisfaction of State.

**21. RESOURCE CONSERVATION**

A. Environmental Conservation Program: Concessionaire shall set a positive example in waste management and environmental awareness that shall lead to preservation of the resources of the State. Accordingly, Concessionaire shall prepare and execute a program, subject to the prior written approval of the State, designed to reduce environmental impacts that result from concession operations. This program shall address, but not be limited to: solid waste management, including reduction, reuse and recycling; water and energy conservation, pest management, grease removal and disposal, hazardous materials handling and storage, and air quality. Specifically, the program must include the following:

1) **Recycling and Beverage Container Programs**: The Concessionaire shall implement a source reduction and recycling program designed to minimize concession and patron use of disposable products, per Public Contract Codes Sections 12161 and 12200 et seq. Reusable and recyclable products are preferred over "throwaways". Where disposable products are needed, products that have the least impact on the environment will be selected. No Styrofoam containers or other non-biodegradable containers are to be used or sold by Concessionaire. The use of "post-consumer" recycled products is encouraged wherever possible.

The Concessionaire shall participate in the California beverage container redemption/recycling program. Products to be recycled include, but are not limited to, paper, newsprint, cardboard, bimetal, plastics, aluminum and glass. At the start of each Contract Year, Concessionaire and State shall review items sold, and containers or utensils used or dispensed by Concessionaire, and, whenever possible, eliminate the use of non-returnable or non-recyclable containers or plastics.

2) **Water and Energy Conservation**: The Concessionaire shall implement water and energy conservation measures. As new technologies

are developed, Concessionaire shall explore the possibility of integrating them into existing operations where there is potential for increased efficiency, reduced water or energy consumption, and/or reduced impacts on the environment.

3) **Erosion Control/Water Quality/Environmental Sensitivity:** The Concessionaire shall comply with all requirements set forth by various oversight agencies that have jurisdiction and oversight authority relating to the Premises and surrounding properties, including, but not limited to, erosion control, water quality and environmental sensitivity standards.

B. **Resource Management and Preservation:** Concessionaire shall comply with State's resource management and preservation mandates in the conduct of all activities that impact cultural, natural, or scenic resources. These mandates include the Public Resources Code Sections 5024 and 5097 et seq. the Department's Resource Management Directives and the Secretary of the Interior's Guidelines for Historic Preservation.

C. **Air and Water Pollution Violation:** Under State laws, Concessionaire shall not be (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

## 22. **HAZARDOUS SUBSTANCES**

A. **Use of Premises:** On the Premises, Concessionaire shall not:

- 1) Keep, store, or sell any goods, merchandise, or materials that are in any way explosive or hazardous;
- 2) Carry-on any offensive or dangerous trade, business, or occupation;
- 3) Use or operate any machinery or apparatus that shall injure the premises or adjacent buildings in any way; or

- 4) Do anything other than is provided for in this Contract.
- 5) Nothing in this Section shall preclude Concessionaire from bringing, keeping, or using on or about said premises such materials, supplies, equipment, and machinery as is appropriate or customary in carrying-on Concessionaire's business.
- 6) Gasoline, oil, and other materials considered under law or otherwise to be hazardous to public health and safety shall be stored, handled, and dispensed as required by present or future regulations and laws.

B. Storage of Hazardous Materials: Concessionaire shall comply with all applicable laws and best practices pertaining to the use, storage, transportation, and disposal of hazardous substances. Concessionaire shall protect, indemnify, defend, and hold harmless the State or any of its affiliates, successors, principals, employees, or agents against any liability, cost, or expense, including attorney's fees and court costs, arising from illegal use, storage, transportation, or disposal of any hazardous substance, including any petroleum derivative, by Concessionaire. Where Concessionaire is found to be in breach of this provision due to the issuance of a government order directing Concessionaire to cease and desist any illegal action in connection with a hazardous substance, or to remediate a contaminated condition directly caused by Concessionaire or any person acting under Concessionaire's direct control or authority, Concessionaire shall be responsible for all cost and expense of complying with such order, including any and all expenses imposed on or incurred by the State in connection with or in response to such government order. Notwithstanding the foregoing, in the event a government order is issued naming Concessionaire, or Concessionaire incurs any liability during or after the term of the Contract in connection with contamination that preexisted the Concessionaire's obligations and occupancy under this Contract or prior contracts, or that were not directly caused by Concessionaire, the State shall be solely responsible as between Concessionaire and the State for all expenses and efforts in connection

therewith, and State shall reimburse Concessionaire for all reasonable expenses actually incurred by Concessionaire therewith.

C. Certification: Upon termination of this Contract, when requested by State, Concessionaire shall provide certification prepared by a Certified Industrial Hygienist that there is no hazardous waste contamination and/or damage to the Premises.

### **23. EQUIPMENT**

Concessionaire, at Concessionaire's own expense, shall completely equip the concession improvements described herein and shall keep the same equipped in a safe and first-class manner throughout the term of this Contract.

### **24. SIGNS AND ADVERTISING**

No signs, logos, names, placards, or advertising matter shall be inscribed, painted, or affixed upon Premises, circulated, or published, including electronically or on the internet, without prior written consent of the State and only consistent with the purposes of the Contract.

Concessionaire shall confine business advertising to business name, business phone number and business logo, which may only appear on the driver and passenger doors of the Concessionaire's tow vehicles, on trailers, on OHV vehicles, on OHV safety flags, on OHV rental documents and OHV safety information. Other banners, posters, flyers or advertisement of any kind within the Oceano Dunes SVRA is prohibited. Any changes to this requirement must be submitted in writing and approved by the District Superintendent.

### **25. PHOTOGRAPHY**

State may grant permits to persons or corporations engaged in the production of still and motion pictures and related activities for the use of the Premises for such purposes when such permission shall not interfere with the primary business of Concessionaire. Such permits shall not be deemed to be a competitive activity with regard to Concessionaire's rights to possession and operation under this Contract.

**26. INTELLECTUAL PROPERTY RIGHTS**

Any names, logos, and/or trademarks developed during and/or pursuant to this Contract that will in any way associate with, identify, or implicate an affiliation with the Department of Parks and Recreation shall be approved by State, but, whether or not so approved, shall be deemed to have been developed pursuant to this Contract and licensed hereunder to Concessionaire for the term of this Contract only; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Contract, and all goodwill and other rights in said marks shall inure to the benefit of the State as the mark owner. Further, any original works of authorship in which copyright resides, and any other proprietary rights, including without limitation trade secrets and know-how, which are developed during and/or pursuant to this Contract, shall be deemed to be works made for hire in consideration of Concessionaire's rights and benefits hereunder, or alternatively Concessionaire agrees to assign such copyrights to the State, and shall be owned by the State; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Contract.

**27. PARTICIPATION IN STATE PARK MARKETING PROGRAMS**

Concessionaire acknowledges that the State has an established advertising and marketing program designed to promote additional revenue for the State and to deliver a consistent and positive image to the public, and Concessionaire agrees to participate in this program in the manner described below without compensation from the State for such cooperation. Any programs established following execution of the contract will be implemented upon mutual consent by Concessionaire and State.

- A. Concessionaire agrees to honor all statewide graphic standards, licensing, and merchandising agreements entered into with corporate sponsors of the Department of Parks and Recreation.
- B. Concessionaire agrees to place on the Premises any advertising that the State approves under this program. Any advertising approved by the State under this program will be placed at State's expense.

Concessionaire agrees to rent or sell, along with all other items of merchandise that are part of the Concessionaire's normal and customary inventory, any item of merchandise that the State approves under this program, provided that Concessionaire is authorized to sell or rent it under the terms of the Contract, and the Concessionaire receives reasonable compensation for its sale.

## **28. DEFAULT BY CONCESSIONAIRE**

- A. Defaults: The occurrence of any one of the following shall constitute a default and breach of this Contract by Concessionaire:
- 1) Failure to Pay Rent: Any failure of Concessionaire to timely pay any rent due or any other monetary sums required to be paid hereunder where such failure continues for a period of ten (10) consecutive days after such sums are due.
  - 2) Absence from Premises: Any complete absence by Concessionaire or its agents and employees from the Premises for thirty (30) consecutive days or longer. The Premises shall be deemed abandoned after State has followed the procedures set forth in Civil Code Section 1951.3.
  - 3) Nuisance: Should Concessionaire create or allow to be created a nuisance on the Premises, State may declare an immediate event of default and enter upon and take possession and/or demand an assignment of the right to operate the Premises without notice to Concessionaire. For the purpose of this paragraph, "nuisance" consists of an egregious activity that threatens the health, welfare, and safety of the public. Concessionaire shall immediately vacate the Premises and remove all personal property within thirty (30) days after State's declaration of default.
  - 4) Failure to Observe Other Provisions: Any failure by Concessionaire to observe or perform another provision of this Contract where such failure continues for twenty (20) consecutive days after written notice thereof by State to Concessionaire; this notice shall be deemed to be the notice required under California Code of Civil Procedure Section 1161. However,

if the nature of Concessionaire's default is such that it cannot reasonably be cured within the twenty (20) day period, Concessionaire shall not be deemed to be in default if it is determined at the sole discretion of State that Concessionaire has commenced such cure within the twenty (20) day period and thereafter continues to diligently prosecute such cure to completion to the satisfaction of State.

5) Involuntary Assignments, Bankruptcy: State and Concessionaire agree that neither this Contract nor any interest of Concessionaire hereunder in the Premises shall be subject to involuntary assignment or transfer by operation of law in any manner whatsoever, including, without limitation, the following: (a) transfer by testacy or intestacy; (b) assignments or arrangements for the benefit of creditors; (c) levy of a writ of attachment or execution on this Contract; (d) the appointment of a receiver with the authority to take possession of the Premises in any proceeding or action in which Concessionaire is a party; or (e) the filing by or against Concessionaire of a petition to have Concessionaire adjudged a bankrupt, or of a petition for reorganization or arrangement under any law relating to bankruptcy. Any such involuntary assignment or transfer by operation of law shall constitute a default by Concessionaire and State shall have the right to elect to take immediate possession of the Premises, to terminate this Contract and/or invoke other appropriate remedies as set forth below, in which case this Contract shall not be treated as an asset of Concessionaire.

B. Notices of Default: Notices of default shall specify the alleged default and the applicable contract provision and shall demand that Concessionaire perform the provisions of this Contract within the applicable time period or quit the Premises. No such notice shall be deemed a forfeiture or a termination of this Contract unless State specifically so states in the notice.

**29. STATE'S REMEDIES**

In the event of default by Concessionaire, State shall have the following remedies. These remedies are not exclusive; they are cumulative and are in addition to any other right or remedy of State at law or in equity.

A. Collection of Rent: In any case where State has a cause of action for damages, State shall have the privilege of splitting the cause to permit the institution of a separate suit for rent due hereunder, and neither institution of any suit, nor the subsequent entry of judgment shall bar State from bringing another suit for rent; it being the purpose of this provision to provide that the forbearance on the part of State in any suit or entry of judgment for any part of the rent reserved under this Contract, to sue for, or to include in, any suit and judgment the rent then due, shall not serve as defense against, nor prejudice a subsequent action for, rent or other obligations due under the Contract. The claims for rent may be regarded by State, if it so elects, as separate claims capable of being assigned separately.

B. Maintain Contract in Effect: The State has the remedy described in California Civil Code 1951.4 (lessor may continue lease in effect after lessee's breach or abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations). The following do not constitute a termination of the Concessionaire's right to possession: (1) Acts of maintenance or preservation or efforts to relet the Premises; (2) The appointment of a receiver upon initiative of the State to protect State's interests under the Contract; (3) Withholding consent to a subletting or assignment so long as such consent is not unreasonably withheld.

C. Continued Performance: At State's option, Concessionaire shall continue with its responsibilities under this Contract during any dispute.

D. Termination of Concessionaire's Right to Possession: Upon an event of default, State may terminate Concessionaire's right to possession of the Premises at any time by written notice to Concessionaire. In the absence of such written notice from State, no act by State, including, but not limited to, acts of maintenance, efforts to relet and/or assign rights to possession of the Premises,

or the appointment of a receiver on State's initiative to protect State's interest under this Contract shall constitute an acceptance of Concessionaire's surrender of the Premises, or constitute a termination of this Contract or of Concessionaire's right to possession of the Premises. Upon such termination, State has the right to recover from Concessionaire:

- 1) the worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Contract;
- 2) the worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this Contract until the time of the award exceeds the amount of loss of rent that Concessionaire proves could have reasonably been avoided;
- 3) the worth, at the time of the award, of the amount by which the unpaid rent for the balance of the term after the time of the award exceeds the amount of the loss of rent that Concessionaire proves could have been reasonably avoided; and
- 4) any other amount necessary to compensate State for all the detriment proximately caused by Concessionaire's failure to perform its obligations under this Contract, which, without limiting the generality of the foregoing, includes any cost and expenses incurred by the State in recovering possession of the Premises, in maintaining or preserving the Premises after such default, in preparing the Premises for a new concessionaire, in making any repairs or alterations to the Premises necessary for a new concessionaire, in making any repairs or alterations to the Premises, and costs of clearing State's title of any interest of Concessionaire, commissions, attorneys' fees, architects' fees, and any other costs necessary or appropriate to make the Premises operational by a new concessionaire.

"The worth, at the time of the award," as used herein above shall be computed by allowing interest at the lesser of a rate of ten percent (10%) per annum or the maximum legal rate.

E. Assignment at State's Direction: In the event of a default by Concessionaire, when cure is not received and acknowledged by State after having provided notice of the breach as provided herein above, Concessionaire shall, in addition to the damages provided for herein, be obligated to assign all rights to occupy, possess, and operate on and in the Premises to State's designee within thirty (30) days of receipt of written demand by State. Concessionaire shall further remove itself and its personal property from the Premises within the same time frame. Concessionaire agrees to execute all documents necessary to effectuate and implement this provision. Upon such assignment, all rights of Concessionaire under the Contract shall transfer to the assignee.

Any designated assignee, as provided for herein, shall take and operate the concession under the same terms and conditions as those set forth herein, except for requirements that have already been performed and are no longer applicable. However, Concessionaire shall not be relieved of obligations incurred. An assignment of the Contract pursuant to the terms hereof shall not cause the Contract to terminate and shall not work a merger.

F. Receiver: If Concessionaire is in default of this Contract, State shall have the right to have a receiver appointed to collect rent and conduct Concessionaire's business or to avail itself of any other pre-judgment remedy. Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by State to terminate this Contract.

G. Right to Cure Concessionaire's Default: At any time after Concessionaire commits a default, State can cure the default at Concessionaire's cost. If State, at any time by reason of Concessionaire's default, pays any sum or does any act that requires the payment of any sum, the sum paid by State shall be due immediately from Concessionaire to State, and if paid at a later date shall bear interest at the rate of ten percent (10%) per annum from the date the sum is paid by State until State is reimbursed by Concessionaire. Any such sum shall be due as additional rent.

H. Personal Property of Concessionaire: In the event any personal property or trade fixtures of Concessionaire remain at the Premises after State has regained possession or after an assignment is accomplished, that property or those fixtures shall be dealt with in accordance with the provisions for Surrender of the Premises provided below.

- 1) State's Obligations After Default: State shall be under no obligation to observe or perform any covenant of this Contract on its part to be observed or performed that accrues after the date of any default by Concessionaire. Such nonperformance by State shall not constitute a termination of Concessionaire's right to possession nor a constructive eviction.
- 2) No Right of Redemption: Concessionaire hereby waives its rights under California Code of Civil Procedure Sections 1174 and 1179 or any present or future law that allows Concessionaire any right of redemption or relief from forfeiture in the event State takes possession of the Premises by reason of any default by Concessionaire.
- 3) Other Relief: All monetary obligations of the Concessionaire of any kind shall be considered rent. State shall have such rights and remedies for failure to pay such monetary obligations as State would have if Concessionaire failed to pay rent due. The remedies provided in this Contract are in addition to any other remedies available to State at law, in equity, by statute, or otherwise.
- 4) No Buy-out: In accordance with Public Resources Code Section 5080.18 (h), where the Contract has been terminated due to a breach on the part of the Concessionaire under any terms of this Contract the State shall not be obligated to purchase any improvements made by Concessionaire or to pay the Concessionaire for said improvements before or after taking possession of the Premises.

**30. DEFAULT BY STATE**

State shall not be in default of the performance of any obligation required of it under this Contract unless and until it has failed to perform such obligation for more than thirty (30) days after written notice by Concessionaire to State specifying the alleged default and the applicable contract provision giving rise to the obligation. However, if the nature of State's obligation is such that more than thirty (30) days is required for its performance, then State shall not be deemed in default if it shall commence performance within such 30-day period and thereafter diligently prosecute the same to completion.

**31. SURRENDER OF THE PREMISES; HOLDING OVER**

A. Surrender: On expiration or within thirty (30) days after earlier termination of the Contract, Concessionaire shall surrender the Premises to State with all fixtures, improvements, and Alterations in good condition, except for fixtures, improvements, and Alterations that Concessionaire is obligated to remove. Concessionaire shall remove all of its personal property and shall perform all restoration required by the terms of this Contract within the above stated time unless otherwise agreed to in writing.

1) Personal Property: All of Concessionaire's personal property remaining on the Premises beyond such time specified in this Section shall be dealt with in accordance with California Code of Civil Procedure Section 1174 and California Civil Code Sections 1980, or such other laws as may be enacted regarding the disposition of Concessionaires' property remaining at the Premises. Concessionaire waives all claims against State for any damage to Concessionaire resulting from State's retention or disposition of Concessionaire's personal property. Concessionaire shall be liable to State for State's costs in storing, removing, and disposing of Concessionaire's personal property or trade fixtures.

2) Failure to Surrender: If Concessionaire fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section,

Concessionaire shall hold State harmless for all damages resulting from Concessionaire's failure to surrender the Premises.

B. Holding Over: After the expiration or earlier termination of the term and if Concessionaire remains in possession of the Premises with State's express consent, such possession by Concessionaire shall be deemed to be a temporary tenancy terminable on thirty (30) days written notice given at any time by either party. During such temporary tenancy, the Minimum Rent shall be increased by Consumer Price Index adjustments required by this Contract in accordance with Section 4, "Rent", unless otherwise agreed to in writing by State. Concessionaire shall pay such rent and all other sums required to be paid hereunder monthly on or before the fifteenth day of each month. All other provisions of this Contract except those pertaining to the term shall apply to the month-to-month tenancy.

**32. NO RECORDATION; QUITCLAIM**

A. No Recordation: This Contract shall not be recorded.

B. Quitclaim: Concessionaire shall execute and deliver to State on the expiration or termination of this Contract immediately on State's request, a quitclaim deed to the Premises and the rights arising hereunder, in recordable form or such other document as may be necessary, to remove any claim of interest of Concessionaire in and to all property belonging to the State. Should Concessionaire fail or refuse to deliver to State a quitclaim deed or other documents as aforesaid, a written notice by State reciting the failure of the Concessionaire to execute and deliver said quitclaim deed as herein provided, shall after ten (10) days from the date of recordation of said notice be conclusive evidence against the Concessionaire and all persons claiming under Concessionaire of the termination of this Contract.

**33. ATTORNEY FEES**

Concessionaire shall reimburse the State on demand for all reasonable attorney fees (including attorney fees incurred in any bankruptcy or administrative proceeding or in any appeal) and expenses incurred by State as a result of a breach or default under

this Contract. If Concessionaire becomes the prevailing party in any legal action brought by State, Concessionaire shall be entitled to recover reasonable attorney fees and expenses incurred by Concessionaire and need not reimburse the State for any attorney fees and expenses incurred by the State.

**34. EXPATRIATE CORPORATIONS**

Concessionaire hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1 and is eligible to contract with the State.

**35. COMPLIANCE WITH LAWS, RULES, REGULATIONS, AND POLICIES**

Concessionaire shall comply with all applicable laws, rules, regulations, and orders existing during the term of this Contract, including obtaining and maintaining all necessary permits and licenses. Concessionaire acknowledges and warrants that it is or will make itself through its responsible concession managers, knowledgeable of all pertinent laws, rules, ordinances, regulations, or other requirements having the force of law affecting the operation of the concession facilities, including but not limited to laws affecting health and safety, hazardous materials, pest control activities, historic preservation, environmental impacts, and State building codes and regulations.

**36. NONDISCRIMINATION**

During the performance of this Contract, Concessionaire and its employees shall not unlawfully discriminate, harass, or allow harassment against any employee, applicant for employment, or any member of the public because of sex, sexual orientation, race, color, religious creed, marital status, need for family and medical care leave, ancestry, national origin, medical condition (cancer/genetic characteristics), age (40 and above), disability (mental and physical) including HIV and AIDS, need for pregnancy disability leave, or need for reasonable accommodation. Concessionaire shall ensure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment.

For contracts over \$100,000 executed or amended after January 1, 2007, the Concessionaire certifies compliance with Public Contract Code Section 10295.3 concerning domestic partners.

Further, as part of compliance with the foregoing, Concessionaire and Concessionaire's employees shall not discriminate by refusing to furnish any person any accommodation, facility, service, or privilege offered to or enjoyed by the general public. Nor shall Concessionaire or Concessionaire's employees publicize the accommodation, facilities, services, or privileges in any manner that would directly or inferentially reflect upon or question the acceptability of the patronage of any such person.

Concessionaire shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900 et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, Section 7285.0 et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, Section 12990 (a)-(f), are incorporated into this Contract by reference and made a part hereof as if set forth in full (California Code of Regulations, title 2, Section 7285.0 et seq.). Concessionaire shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement. Concessionaire shall include the non-discrimination and compliance provisions of this clause in all contracts to perform work under and/or in connection with this Contract.

In the event of violation of this Section, the State will have the right to terminate this Contract, and any loss of revenue sustained by the State by reason thereof shall be borne and paid for by the Concessionaire.

### **37. DISABILITIES ACCESS LAWS**

Without limiting Concessionaire's responsibility under this Contract for compliance with all laws, with regard to all operations and activities that are the responsibility of Concessionaire under this Contract, Concessionaire shall be solely responsible for complying with the requirements of the Americans With Disabilities Act of 1990 ("ADA") [Public Law 101-336, commencing at Section 12101 of Title 42, United

States Code (and including Titles I, II, and III of that law)], the Rehabilitation Act of 1973, and all related regulations, guidelines, and amendments to both laws.

With regard to facilities for which Concessionaire is responsible for operation, maintenance, construction, restoration, or renovation under this Contract, Concessionaire also shall be responsible for compliance with Government Code Section 4450, et seq., Access to Public Buildings by Physically Handicapped Persons, and Government Code Section 7250, et seq., Facilities for Handicapped Persons, and any other applicable laws. Written approval from State is required prior to implementation of any plans to comply with accessibility requirements.

**38. DRUG-FREE WORKPLACE**

Concessionaire agrees to comply with Government Code Section 8355 in matters relating to the provision of a drug-free workplace. This compliance is evidenced by the executed Standard Form 21 entitled "Drug-Free Workplace Certification", **Exhibit H**, attached hereto and made a part of the Contract.

**39. NATIONAL LABOR RELATIONS BOARD CERTIFICATION**

The Concessionaire, by signing this Contract, does hereby swear, under penalty of perjury, that no more than one final, unappealable finding of contempt of court by a Federal Court has been issued against Concessionaire within the two-year period immediately preceding the date of this Contract because of Concessionaire's failure to comply with a Federal Court order that Concessionaire shall comply with an order of the National Labor Relations Board.

**40. CHILD SUPPORT COMPLIANCE ACT**

In the event the annual gross income generated as a result of this Contract shall exceed One Hundred Thousand Dollars (\$100,000.00), Concessionaire acknowledges that:

- A. The Concessionaire recognizes the importance of child and family support relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as

obligations and shall comply with all applicable state and federal laws provided in Chapter 8 (commencing with Section 5200) of Part 5 of Division 9 of the Family Code; and

B. The Concessionaire to the best of its knowledge is complying with the earnings assignment orders of all employees and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

**41. CONFLICT OF INTEREST**

Concessionaire warrants and covenants that no official, employee in the state civil service, other appointed state official, or any person associated with same by blood, adoption, marriage, cohabitation, and/or business relationship: (a) has been employed or retained to solicit or aid in the procuring of this Contract; (b) will be employed in the performance of this Contract without the immediate divulgence of such fact to State. In the event State determines that the employment of any such official, employee, associated person, or business entity is not compatible, Concessionaire shall terminate such employment immediately. For breaches or violation of this Section, State shall have the right both to annul this Contract without liability and, in its discretion, recover from the Concessionaire the full amount of any compensation paid to such official, employee, or business entity.

**42. WAIVER OF CLAIMS**

The Concessionaire hereby waives any claim against the State of California, its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same or any part thereof from being carried out.

**43. WAIVER OF CONTRACT TERMS**

Unless otherwise provided by this Contract, no waiver by either party at any time of any of the terms, conditions, or covenants of this Contract shall be deemed as a

waiver at any time thereafter of the same or of any other term, condition, or covenant herein contained, nor of the strict and prompt performance thereof. No delay, failure, or omission of the State to re-enter the Premises or to exercise any right, power, privilege, or option arising from any breach, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of such breach or a relinquishment of any right or acquiescence therein. No notice to the Concessionaire shall be required to restore or revive time as of the essence after the waiver by the State of any breach. No option, right, power, remedy, or privilege of the State shall be construed as being exhausted by the exercise thereof in one or more instances. The options, rights, powers, and remedies given to the State by this Contract shall be deemed cumulative.

**44. INTERPRETATION OF CONTRACT**

This Contract is made under and is subject to the laws of the State of California in all respects as to interpretation, construction, operation, effect, and performance.

**45. DURATION OF PUBLIC FACILITIES**

By entering into this Contract, State makes no stipulation as to the type, size, location, or duration of public facilities to be maintained at this unit, or the continuation of State ownership thereof, nor does the State guarantee the accuracy of any financial or other factual representation that may be made regarding this concession.

**46. TIME OF ESSENCE**

Time shall be of the essence in the performance of this Contract.

**47. EMINENT DOMAIN**

If, during the term of this Contract, any property described herein or hereinafter added hereto is taken in eminent domain, the entire award shall be paid to State.

**48. TEMPORARY TENANCY**

This tenancy is of a temporary nature and the parties to this Contract agree that no Relocation Payment or Relocation Advisory Assistance will be sought or provided in any form as a consequence of this tenancy.

**49. SECTION TITLES**

The Section titles in this Contract are inserted only as a matter of convenience and for reference, and in no way define, limit, or describe the scope or intent of this Contract, or in any way affect this Contract.

**50. CONTRACT IN COUNTERPARTS**

This Contract may be executed in counterparts, each of which shall be deemed an original.

**51. INDEPENDENT CONTRACTOR**

In the performance of this Contract, Concessionaire and the agents and employees of Concessionaire shall act in an independent capacity and not as officers or employees or agents of the State.

**52. ASSIGNMENTS AND SUBCONCESSIONS**

No transfer, assignment, or corporate sale or merger by the Concessionaire that affects this Contract or any part thereof or interest therein directly or indirectly, voluntarily or involuntarily, shall be made unless such transfer, assignment, or corporate merger or sale is first consented to in writing by State. Before State considers such assignment, evidence must be given to State that the proposed assignee qualifies as a "best responsible bidder" under the terms of Section 5080.05 of the Public Resources Code or "best responsible person or entity submitting a proposal" under the terms of Section 5080.23 of the Public Resources Code and the Bid Prospectus or Request for Proposals under which this Contract was awarded and executed. To be effective, any such assignment must comply with applicable law including, without limitation on generality, Public Resources Code Sections 5080.20 and 5080.23.

Portions of this concession may be operated by others under a subconcession agreement with prior written consent of State under the following conditions:

- A. The subconcessionaire must be qualified.
- B. The subconcessionaire's interest shall be subordinate and in all ways subject to the terms of this contract.
- C. Concessionaire's gross receipts shall include all receipts of the subconcessionaire.

### **53. MODIFICATION OF CONTRACT**

This concession contract contains and embraces the entire agreement between the parties hereto and neither it, nor any part of it, may be changed, altered, modified, limited, or extended orally or by any agreement between the parties unless such agreement be expressed in writing, signed, and acknowledged by the State and the Concessionaire or their successors in interest.

An amendment is required to change the Concessionaire's name as listed in this Contract upon receipt of legal documentation to support such change.

Notwithstanding any of the provisions of this Contract, the parties may hereafter, by mutual consent expressed in writing, agree to modifications thereof, additions thereto, or terminations thereof, which are not forbidden by law. Such written modifications or additions to this Contract shall not be effective until signed and acknowledged by the State and Concessionaire and approved in writing by the Department of General Services and the Attorney General of the State of California. The State shall have the right to grant reasonable extensions of time to Concessionaire for any purpose or for the performance of any obligation of Concessionaire hereunder.

### **54. UNENFORCEABLE PROVISION**

In the event that any provision of this Contract is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Contract have force and effect and shall not be effected thereby.

**55. APPROVAL OF CONTRACT**

This Contract, amendments, modifications, or termination thereof shall not be effective until approved by Department of General Services and the Attorney General of the State of California.

**56. STATE'S DISTRICT SUPERINTENDENT**

For the purposes of this Contract, the "District Superintendent" is the State representative responsible for the Premises. The District Superintendent is charged with the day-to-day administration of this Contract and is the Concessionaire's initial contact with the State for information, contract performance, and other issues as might arise. The District Superintendent may delegate these responsibilities to a Sector or Park Superintendent or other individual.

**IN WITNESS WHEREOF**, the parties hereto warrant that they respectively have the requisite authority to enter this Contract, binding the named parties for which they sign, and have executed this concession contract at the respective times set forth below.
